

DONOVAN BRANCH

FRONTEND DEVELOPER

Haddington East Lothian UK,
EH41 3EN

donovan.branch0129@gmail.com

[My Portfolio](#)

I am a talented web designer and senior frontend developer with a flair for modern design and smart, efficient coding. My expertise lies in creating visually stunning, user-friendly websites that are not only aesthetically pleasing but also highly functional. I leverage the latest technologies and design trends to ensure that every project delivers a seamless and engaging user experience across all devices.
